# The Pie Press

www.windmillmayfair.co.uk

Carl and Pauline and the team would like to wish you all a happy New Year! Thank you for your support in 2010, particularly during December. It was our most successful Christmas ever!

It's been wonderful to receive so many European visitors in recent months, I've discovered that we've appeared favourably on quite a few internet network sites and apparently, a well respected French food writer Francois Simone, featured us in Le Figaro recently!

## PIE CLUB ALERT! 23RD FEBRUARY

I'm delighted to tell that we've joined the Mutton Renaissance Society. We'll be holding a special pie club event celebrating the taste and quality of mutton on February 23<sup>rd</sup>. Watch this space!

## VALENTINES NIGHT

## PIE ROOM 2 AND BAR—'ON YER BIKE CUPID'

There will be no loved up jamboree here. We're open as normal in the bar and pie room 2 for pies and pints.

## PIE ROOM 1—ROMANTIC OPTION

Pie room 1 is open for couples. We're offering our normal menu plus oysters, chocolate fondue and discounts on Champagne. Call 020 7491 8050 for reservations.

## WELCOME TO JASON ATHERTON

Celebrated chef, Jason Atherton, opens his new restaurant on March 29<sup>th</sup> just around the corner in Pollen Street on the site of the former Pitcher and Piano. It's going to be very special. Jason is incredibly innovative as anyone who had ever eaten at Maze will testify. His new restaurant will include a dessert bar!

## THE BEST STEAKS IN MAYFAIR
